The Citation (in part)

...The commitment by members of the Birubi Rover Crew demonstrates not only to aspiring Rovers but also to the non-Scouting community that Service is an essential component of life as a Rover Scout. Their service has exemplified the Rover motto, Service, and has justifiably positioned the Crew amongst the worthy winners of the Baden Powell Lodge Rover Service Award.

RWBro Jamie Melville was a member of his local Scout Group (1st West Peakhurst) in Sydney where he progressed from Scouts, Venturers and Rovers until becoming the Assistant Scout Leader. His first introduction to Freemasonry was through his involvement in Scouts, mainly as a Rover and Scout Leader, and the awards nights hosted by Lodge Baden Powell for local Rover Crews.
